

Selection Criteria

Annex G

First Stage (Pass and Fail)

- 1 Tender Entry Guarantee not less than 2.5% of the total financial offer valid for three months

Second Stage (Pass and Fail) - Initial Technical Analysis

- 1 الخبرة (مشاريع سابقة بنفس حجم ونوع المشروع) / Experience (Previous projects of the same project size & type)
- 2 Providing a correct design for the project components / Review and match drawings, designs, and bills of quantities with the field requirements.

Third Stage (Pass and Fail)

- 1 أكثر من التكلفة التقديرية ب ١٠% مستثنى / More than the estimated cost of the BOQ by 10% excluded /
أقل من التكلفة التقديرية ب ٢٥% مستثنى / Less than the estimated cost of the BOQ by 25% excluded
- 2 بطاقة ضريبية - Tax Card
- 3 سجل تجاري متوافق مع أعمال المشروع - Commercial Register compatible to the project work

Fourth Stage - Secondary technical analysis

Main evaluation indicators عناصر التقييم الرئيسية		Sub indicators العناصر الفرعية	Score %	Total Score %	Scores detailing			
1	Relevant experience الخبرات ذات الصلة	Availability of Previous projects of the same project size & type اعمال سابقة لمشاريع من نفس النوع و الحجم	30%	30%	Indicator	More than 5 projects	5-3 projects	less than 3 projects
				Score	30%	15%	5%	
2	Technical Qualification الكفاءة الفنية (In case that one of the sub-indicators of the technical Qualification is not met and the bidder obtains an illogical result, this is considered a violation of the main technical analysis conditions, which will affect him in continuing the analysis for the advanced stages) في حالة عدم إستيفاء أحد من العناصر الفرعية للكفاءة الفنية و حصول مقدم العطاء على نتيجة غير منطقية فإن ذلك يعتبر إخلال بشروط التحليل الفني الرئيسية و التي ستؤدي إلى عدم استمراره و إستبعاده من التحليل الفني للمراحل المتقدمة	Company's administrative structure الهيكل الإداري للشركة	2.5%	70%	Indicator (According to Instructions to tender form)	Detailed, and logical	Not detailed and logical	Detailed and illogical
					Score	2.5%	1%	0%
		The proposed site engineering and administrative team to manage and implement the project الطاقم الهندسي و الإداري المقترح لإدارة و تنفيذ المشروع	2.5%		Indicator (According to Instructions to tender form)	Detailed, and logical	Not detailed and logical	Detailed and illogical
					Score	2.5%	1%	0%
		implementation plan خطة التنفيذ	5%		Indicator (According to Instructions to tender form)	Detailed, and logical	Not detailed and logical	Detailed and illogical
					Score	5%	3%	0%
		Project manpower خطة القوى العاملة	10%		Indicator (According to Instructions to tender form)	Detailed, and logical	Not detailed and logical	Detailed and illogical
					Score	10%	5%	0%
		List of the contractor-owned equipment قائمة المعدات المملوكة للمقاول	5%		Indicator (According to Instructions to tender form)	Detailed, and logical	Not detailed and logical	Detailed and illogical
					Score	5%	3%	0%
		List of the proposed equipment for the project قائمة المعدات المقترحة للمشروع	5%		Indicator (According to Instructions to tender form)	Detailed, and logical	Not detailed and logical	Detailed and illogical
					Score	5%	3%	0%
		list of the project's required material قائمة المواد المطلوبة	20%		Indicator (According to Instructions to tender form)	Excellent	Very Good	Good
					Score	20%	10%	5%
		Time plan (Gant Chart) الخطة الزمنية	10%		Indicator (According to Instructions to tender form)	Detailed, and logical	Not detailed and logical	Detailed and illogical
					Score	10%	5%	0%
		Site layout Plan خطة تخطيط الموقع	5%		Indicator (According to Instructions to tender form)	Detailed, and logical	Not detailed and logical	Detailed and illogical
					Score	5%	3%	0%
		Safety environmental plan توفير خطة السلامة العامة و البيئية	5%		Indicator (According to Instructions to tender form)	Detailed, and logical	Not detailed and logical	Detailed and illogical
					Score	5%	3%	0%
Total			100%	100%				

This stage of tender evaluation is based on a 50/50 split between technical and financial criteria. The winner will be the bidder that achieves the highest score out of 100.
