Definitions of Sexual Misconduct: Sexual Exploitation and Abuse (SEA) and Sexual Harassment (SH):

1. **Sexual Exploitation:** Any actual or attempted abuse of position of vulnerability, differential power, or trust, for sexual purposes, including but not limited to profiting monetarily, socially, or politically from sexual exploitation of beneficiaries. Sexual exploitation is an abuse of vulnerability through power differential, is using a position of power to obtain sex in exchange of something/promises.
2. **Sexual Abuse:** Actual or threatened physical intrusion of a sexual nature, whether by force or under unequal or coercive conditions.
3. All sexual activity with a child (under age 18) regardless of consent or local age of majority. Mistaken belief as to age is never an excuse or other person in a position of vulnerability in need of assistance.

4. In both situations of SEA, the **perpetrator** is a **humanitarian aid worker** working for the NGOs (including PartnerX, UN etc.) whereas the **victim** is a **beneficiary**, a person of concern (refugees, asylum seeker, IDPs, IDP returnees and stateless), or other person in a position of vulnerability in need of assistance.
5. **Sexual Harassment¹** is an unwelcome conduct of a sexual nature. It creates an intimidating work environment. Both the **perpetrator** and the **victim** are employees working in the **humanitarian sector** (i.e. PartnerX). The victim and perpetrator could be working in the same organization or in different ones. Sexual harassment refers to situation that occurs between personnel and does not refer to misconduct perpetrated against persons of concern.

We, the undersigned, verify that we are in compliance with all applicable laws and regulations, and meet the ethical standards as listed above or positively agree to these ethical standards and are willing to implement necessary changes in the organization.
